# **Artist Application**

## **Exhibition/Artist-In-Action/Masterwork**

**May 19 | September 15**

ArtWalk Longmont organizes a series of summer festivals Downtown, each year providing venues for artists and arts enthusiasts of all ages to celebrate Longmont's vibrant culture through active participation.

The 2018 ArtWalk season will feature two events, and artist participation is designed to best include and support artists, while improving ArtWalk for everyone! Please choose if you would like to participate as an Exhibiting Artist, an Artist-In-Action, Booth Exhibitor or apply for funds to complete a Masterwork during the event. ArtWalk is a family-friendly, all-ages event, and can reject applications based on content.

### **Exhibiting Artist: \$25 Application, Juried**

Apply to partner with a local business to show your work during the event. Work must be ready to hang, and installation is a coordinated effort between you, the artist, and a local business owner. Please submit an artist's statement and 3-5 images of your work, sized to 1000px on the shortest side, for consideration. If selected, the work will be exhibited during ArtWalk, and may be displayed for a longer period if agreed upon in partnership with the downtown business.

### **Artist-In-Action:**

Bring your process to the street! ArtWalk will provide street space, plus a tent and table, for a limited number of artists per event. Please submit an artist's statement describing your process and 3-5 example images of your work, sized to 1000px on the smallest side. Artists-In-Action are allowed to sell their work during the event but we encourage you to bring an assistant to help with sales as you complete your work.

### **Artist Vendor Booth: \$45 booth fee**

Show and sell your work at ArtWalk! No demonstrations necessary, requires a City of Longmont sales tax license. Bring your own tent. No application fee - please submit examples of your work via email or link to website.

### **Masterwork Observatory: \$25 Application, Juried**

During each event, ArtWalk will provide project funding and space for up to 3 "Masterwork Observatories" where you can complete a project with or without community participation. Apply by submitting an artist's statement describing the project and how funds will be used, and 3-5 reference images sized at 1000px on the smallest side. Projects are chosen based on their suitability for the event, and scale of impact. Proposed budgets may not exceed \$500.

**Artist Name:**

**Address:**

**Phone:**

**Website:**

**Email:**

**Payment:**

- 1) Check mailed to ArtWalk Longmont - P.O. Box 273, Longmont, CO 80502
- 2) Electronic Payment through artwalklongmont.org via PayPal

**Applications for the May event are due April 1st, Applications for September are due August 1st.**

*I would like to make payment and participate! I understand that payment must be made by the agreed upon date in order to benefit from ArtWalk's marketing efforts. I understand that my likeness and that of my work can and will be used for promotional purposes by ArtWalk Longmont Inc.*
